1. Introduction

1.1 About the Licensing Authority and Licensing News

Westminster City Council is the largest Licensing Authority in the United Kingdom receiving over 10,000 applications each year. The council is responsible for considering and determining licence applications for over 60 licensing regimes, ranging from premises that sell alcohol to the performance of hypnotism.

The council does attempt to inform local residents and businesses of applications where the relevant statutory requirements permit local residents to make representations or objections. For certain applications the council will send letters to local residents and businesses. For these applications the council will also place lamppost notices near the relevant premises informing local residents and businesses of individual applications in the local area.

Licensing News is a weekly summary of some of the valid applications that have been received or determined by the council the previous week. This document also contains information that may be useful for local residents and businesses concerning forthcoming Licensing Sub-Committee hearings, where the majority opposed applications are considered; current public consultation on licensing matters and useful contact information.

1.2 Information about applications or decisions

If further information is required relating to an application or a decision listed within this document it can be found via Westminster's online public register. The register enables interested parties the ability to view applications and other relevant public documents. In addition to the council's public register it also provides Licensing Sub-Committee agendas, reports and decisions online.

These online tools have been designed to assist local residents and businesses consider how a licence application may affect their home or personal life; or affect their business. Local residents and businesses can find out more information about any of the applications or decisions referred to within Licensing News by visiting the council's licensing webpages at www.westminster.gov.uk/licensing.

1.3 Licensing Teams

The council has two Licensing Teams which have specific responsibilities. The Street Trading Licensing Team is responsible for all street trading, tables and chairs, loudspeaker and market permissions. The General Licensing Team is responsible for all other licensing regimes. Each team has highly experienced licensing practitioners that are responsible for progressing applications to determination and managing licensing regimes on behalf of the council.

To contact the Licensing Teams please call 020 7641 6500 or alternatively email the relevant Team via the email addresses listed below.

3. Applications determined

The Council will consider applications and then determine them based on the requirements of the relevant licensing regime and council policy. There are three ways that applications for permissions are determined and the determination process varies depending on the relevant licensing regime. Applications that are opposed by residents, businesses or a responsible authority, such as the police will normally be put before a Licensing Sub-Committee which is made up of three Councillors.

Some street trading and market applications will be determined at a Licensing Officer Panel. This panel is made up of three senior managers of the Public Protection & Licensing Department. Applications that are unopposed or an agreement is met following an objection is made will be determined by an officer and granted under delegated authority.

3.1 Licensing Sub-Committee – Summary of last week's decisions

Every attempt has been made to write these summaries so as to reflect the decision of the Licensing Sub-Committee. However, these summaries will not detail the specifics of the decision made by the Sub-Committee and as such must only be used for information purposes. The summary of the decision is not the formal decision of the council and as such cannot be relied upon as a full account of the decision made or be used in relation to lodging any appeal against the decision.

Licensing Sub-Committee – 29th October 2015 10:00

Mele E Pere, 46 Brewer Street, W1 (West End Ward / West End Stress Area) – Application to extend the terminal hours by one hour for late night refreshment (indoors), on sales of alcohol and the opening hours until 01:00 Monday to Saturday. The terminal hour sought on Sunday was 23:30. The Applicant withdrew regulated entertainment during the hearing. Mele E Pere is a restaurant and the Applicant was seeking that a limited number of customers would be able to consume alcohol between 10:00 and 21:00 in a bar area hatched on the plan without it being ancillary to a substantial meal. The alcohol would be served by waiter or waitress to seated customers.

The Sub-Committee, having taken into account evidence from local residents, was not persuaded that a terminal hour of 01:00 exceeding core hours in the West End Stress Area was suitable at this particular location. Members noted that the Applicant was offering some flexibility that alcohol in the bar area which would not be subject to a restaurant condition would cease at 20:00. The Sub-Committee permitted alcohol to be consumed in this area until 20:00 provided that some food was also provided (this would not have to amount to a substantial table meal).

Shepherds Market Fine Wine, 21 & 23 Shepherd Market, W1 (West End Ward / not in stress area) – An application for on and off sales from 08:00 to 23:00 Monday to Saturday and 12:00 to 22:30 at the wine shop. The Applicant had agreed a condition with the Police that on-sales would begin at 10:00 Monday to Saturday which was in keeping with the Council's Core Hours policy. The Sub-Committee granted Core Hours for on and off sales with a capacity of 30 on the premises, subject to conditions.

Blade Soho, 26 Frith Street, W1 (West End Ward / West End Stress Area) – Blade Soho operates as a hair salon providing hairdressing facilities on both the ground and basement floors. The Applicant sought on-sales Monday to Saturday 12:00 to 22:00 and Sunday 12:00 to 20:00. The Sub-Committee noted that there were no objections to alcohol being ancillary to having a haircut. The concerns of the objectors related to having a members club in the basement area where alcohol would be provided. The Applicant stated that the purpose of the club was a loyalty scheme and customers would be encouraged to bring their friends. There was no intention to have purely a bar in the basement as hairdressing would take place there as well. The Sub-Committee considered that the application if granted in full would potentially add to cumulative impact in the West End Stress Area. A terminal hour of 20:00 was granted and conditions attached to the licence, including that alcohol would only be provided when both floors are operated as hairdressers.

The Knightsbridge Café, Ground Floor, 7 William Street, SW1 (Knightsbridge and Belgravia Ward / not in stress area) – An application for a new premises licence to serve late night refreshment 23:00 to 00:30 Monday to Thursday and also Sunday and 23:00 to 01:00 Friday and Saturday. On-sales were withdrawn by the Applicant. The premises would operate as a restaurant. The Sub-Committee granted the application but made the point to the Applicant that if there were any issues with the use of noise emanating from the outside tables and chairs there was the potential for a review of the premises licence.

Revue Bar And Peep Show, 1 Tisbury Court, W1 (West End Ward / West End Stress Area) – Two applications were submitted for the premises, a review of the premises licence and an application for a renewal of the Sex Entertainment Venue licence. The Sub-Committee heard evidence from the Police and the Licence Holder. Members considered that there should be a high threshold in terms of the level of responsibility expected of the Licence Holder. However, they had viewed Police footage of the premises being associated with serious crime with the handling of stolen goods and there were links between the staff of the premises and those convicted of crimes at the Pleasure Lounge. Members perceived that there had been a lax attitude to updating licences, plans, addresses and adequately supervising staff. This was a particularly sensitive location. The Sub-Committee decided to revoke the premises licence and not renew the SEV licence.

4. Temporary Event Notices received

Temporary Event Notices (TEN's) can be made by any person who wishes to use a premises to provide regulated entertainment, late night refreshment and/or sell alcohol under the provisions of the Licensing Act 2003. A TEN only authorises the licensable activities during the time specified on the TEN and these activities are limited for a period of no more than 168 hours with a maximum capacity of up to 499 people. There are also limitations on the number of TEN's that can be used for premises as well as limitations on the number a person can submit to the Council. The only authorities that can oppose TEN's are the Council's Environmental Health Consultation Team and Westminster's Metropolitan Police Licensing Team. A TEN can only be opposed if it is considered to not promote one or more of the licensing objectives under the Act.

5. Forthcoming Licensing Sub-Committee Hearings

The Council will consider and determined the majority of opposed applications at a Licensing Sub-Committee hearing. These hearings are normally held every Thursday at 10am in Westminster City Hall. The reports relating to the agenda items will be published one week before the hearing. The attendance list, agenda and reports can be viewed and download from the council's website. The council will also make the decisions from previous hearings available for the relevant hearing date.

You can view the forthcoming attendance list, agenda and reports as well as view decisions from previous hearings by visiting www.westminster.gov.uk/licensing-subcommittees-agendas-reports-and-decisions and then click on the Committee Calendar search button to find the relevant hearing.

If you are viewing this document online a link to the relevant Licensing Sub-Committee hearing page has been provided so that you can view the relevant documents for that hearing. To do this click on the Licensing Sub-Committee date for each of the hearings listed below.

6. Current public consultation

From time to time the Council will undertake public consultation relating to licensing matters. Consultation is a means to enable local residents and businesses to comment on licensing policy or process to enable the Council to provide its services in a way that improves the lives of those living, visiting and working in Westminster as well as providing opportunities for businesses.

At present there are no live public consultations. However, if you wish to view any previous consultation or read the submissions (where available) made in respect to that consultation please visit www.westminster.gov.uk/licensing-consultation.

7. Training and Pre-Application Advice Services

7.1 Westminster City Training

The council has established Westminster City Training, which provides regulatory training for individuals, businesses and local authority officers. Westminster City Training is an accredited centre for the British Institute of Innkeepers (BII) and Chartered Institute of Environmental Health (CIEH) qualifications.

There are a number of licensing courses which the council provides that are essential for those wishing to obtain a personal licence or for anyone wishing to increase their knowledge relating to the Licensing Act 2003 or Gambling Act 2005.

To view the courses available and dates when these courses are being run you can visit www.westminster.gov.uk/training-programme or call one of Westminster City Training's booking staff on 020 7641 6252. If you have any questions about a course then you can also email ehtraining@westminster.gov.uk.

7.2 Licensing Pre-Application Advice Service

The council provides local businesses and solicitors with a licensing pre-application advice service for all of the general licensing regimes that the council is responsible for. The advice given is given by experienced and qualified individuals within the Environmental Health, District Surveyor and Licensing disciplines. Pre-application advice provides an operator or a solicitor with advice on all aspects of their proposal for a licence or to vary an existing licence. Once an application is made for pre-application advice the application will be considered by highly experienced officers and advice will be given for a number of areas to promote the safety of the public and any relevant licensing considerations.

This service is very popular and has been seen to be a real benefit to potential applicants in addressing key issues prior to submission of an application to the council. The benefits of this service to businesses are that they will receive expert advice relating to their proposal, reduced the level of objections to the final application and reduce costs associated with attending a hearing and the associated legal costs.

Please note that the advice given will not include views from other responsible authorities such as the Police, Fire Authority, etc. Other responsible authorities have the legal right to make a representation or objection relating to the application even if advice has been sought and provided under a pre-app advice agreement. In determining any application that is subject to representations will be the mandate of the Licensing Sub-Committee who will consider the application and the representations on its own merits and determine the application accordingly.

If you are interested in receiving licensing pre-application advice then please visit <https://www.westminster.gov.uk/licensing-pre-application-advice-service> to find out more information and to download the application form.
